Dear Ben and Melissa,

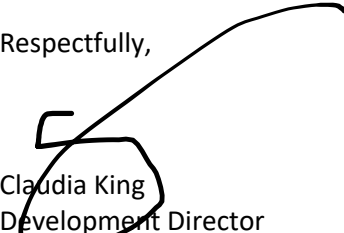

On behalf of Advocates for Victims of Assault, Inc., I sincerely thank you for your generous silent auction donation of a weekend at your beautiful Majestic Lodge Breckenridge vacation property. Your property is absolutely stunning, and your in-kind gift helped us raise much-needed funds for our organization at our 2020 virtual event. We are so grateful at your willingness to provide a staycation for our silent auction winner! In fact, we learned that the winner of the auction actually purchased the stay to gift to a friend, which we find so heart-warming in these difficult times.

Our community resources include the only 24-hour crisis line in Summit County, along with in-person crisis response when needed. We also operate an emergency pet-friendly safehouse and provide advocacy and accompaniment for emergency medical care, medical forensic exams, medical evidence collection, law enforcement interviews, and return of personal property and effects. Additionally, Summit Advocates assists in obtaining or modifying protection orders, immigration relief, as well as provides limited representation and advice on matters such as divorce and child custody.

Your donation will help us to continue our mission of enhancing safety and justice for victims of domestic violence, sexual assault, and trauma, while promoting peace in our community. We very much appreciate your generosity in support of our efforts.
